Dear Don:

A recent check of our Ineligible Volunteer File against the National Eagle Scout Association indicated that the above named individual is presently a member of NESA.

This individual is listed on our Ineligible Volunteer File and will not be permitted to register with the Boy Scouts of America. We wanted you to be aware of this, so that the individual cannot participate in any activities with the council, simply because he is a member of NESA. He should not participate in any leadership capacity or assume any responsibility in the Boy Scouts of America. He could participate as a parent if he has a son or daughter involved.

We wanted to make you aware of this, so you would not involve him. Let us know if you have any questions.

September 1, 1985

Mr. Kenneth Thomas
445 South Main Street
Jamestown, New York 14701

Dear Ken,

This letter is to serve as my formal resignation as Scout Executive of Allegheny Highlands Council, Inc., Boy Scouts of America. I will be leaving the professional service of the Boy Scouts to pursue a career in private industry in New England. According to my original contract with the Council, a 30 day notice is required. Therefore, I plan to work until September 30, 1985, if this is acceptable to you and the Executive Board. I will plan to take my remaining vacation and personal days during the last two weeks of September. Of course, I will prepare a complete summary of current projects and data that would be needed by the new Scout Executive.

Words cannot express the deep affection and gratitude I have for the volunteer, professional, and clerical Scouters and their spouses of the Allegheny Highlands Council. This opportunity of the past nearly six years has been a rich experience.

On the one hand I very much regret leaving the tasks and friendships of this area, because you have made me wanted and accepted; yet, I am excited about new opportunities and challenges in the years ahead.

I wish you every success as you move the Council forward with emphasis on balanced membership and budgets and quality programs.

Sincerely yours,

MEMO TO FILE:

On August 6 the handwritten statement from the Scout in Florida, alleging a homosexual affair with Philip Warner, was shared with the Chief Scout Executive through Harold Sokolsky. In a cover letter to the Chief, I pointed out that David Park wanted to review the statement and other documentation related to the matter.

Later on, August 6, Harold Sokolsky called to say that he had reviewed the statements with Ben Love, and that Mr. Love requested a followup as soon as possible by Regional Director Rudy Flythe for the purpose of confronting Philip Warner.

I wrote Rudy Flythe the same day, August 6, and enclosed copies of the material shared with Ben Love. I also stated the desire of the Chief Scout Executive.

Philip Warner was on vacation in Europe. Rudy Flythe and Charles Kauffman met with him today upon his return. Mr. Warner informed Mr. Flythe that he does not plan to resign.

SUBJECT: PHILIP L. WARNER

Enclosed is the handwritten statement of [REDACTED], the eighteen year old former Scout from Allegheny Highlands Council at Falconer, New York. [REDACTED] now resides near Jacksonville, Florida, and his statement is also signed by his mother, [REDACTED]

The statement was forwarded to us by Brent Harris of the State of Florida Department of Health and Rehabilitative Services, District Four. Mr. Harris was helpful in securing the statement and young [REDACTED] wrote the statement in the presence of Mr. Harris.

Harris and his associate, Sue Rosebrough, have been counseling the boy. He was assigned to the Health and Rehabilitative Services Department because he sexually abused another child. [REDACTED] first told his story to the psychologist, then later shared the same story in a counseling session with Sue Rosebrough.

Under Florida law any time information regarding the sexual abuse of a minor comes into the knowledge of a state psychologist it must be made known to the local law enforcement agency. The Clay County Sheriff's Department was notified and Officer Hines investigated the matter. Following the investigation Officer Hines informed the Northeast Region that the boy and his mother would not press charges against Philip L. Warner because the boy was in counseling and trying to put the experience behind him. He also now had a job and did not want to return to New York to testify. Hines said, "No charges, no crime." But he also added that in his opinion the boy had a 100% legitimate complaint.

On June 26 the Northeast Region called Operations Support to share the information from Officer Hines. Gene Cruse and I reviewed the situation and agreed that we should pursue it further. I called Officer Hines to express our concern and request additional information. At first he was eager to assist us, then the next day he was told by his supervisor that he could not provide a statement to us. At that point he gave us the name of Brent Harris at the Health and Rehabilitative Services Department, and we began then working with Mr. Harris.

Bill McLaughlin was in almost constant communication with Harris and Rosebrough. Vacations by the Florida principals and a death in the family resulted in delays. Finally Mr. Harris went to the home of [REDACTED], and [REDACTED] wrote the enclosed statement. Harris and Rosebrough are convinced, as was Officer Hines, that [REDACTED] is telling the truth.

David Park wants to see the statement from the boy, and probably other statements. I am enclosing the statement we prepared for Vern LaBarre to read to Warner just prior to his interview, along with summaries from Vern and from Rollie Moore.

In my opinion the next step would be confrontation with Phil Warner. This should probably be handled by Rudy and Vern. If Bill and I need to be involved we will, of course, participate. Should Warner refuse to resign, then we should be prepared to initiate the decommissioning process.

The first time I met Phil Warner I was living in Penn. I was AT A CAMP OUT AT the scout camp. We keep in contact for about 6 months then Phil Warner in a letter said there was something going on AT camp Meze AND WANTED TO know if I would like to attend. I said yes. Phil Warner pick me up and we went straight to his house. We ate and watch some T.V. I got ready for bed. While I was getting ready, Phil Warner must have to. By the time I was done He was already in bed. I went to the bedroom I was using and layed down then he call me to his room. I went to see what Phil Warner wanted, he show me a magazine with naked people doing sexual acts. Phil Warner asked me what I thought of that. I said I didn't know. Phil start to fondle my nipples out side of my pants then Phil had me masturbate him while Phil masturbated me then we went to bed. Phil did this same thing for the next 3 nights.

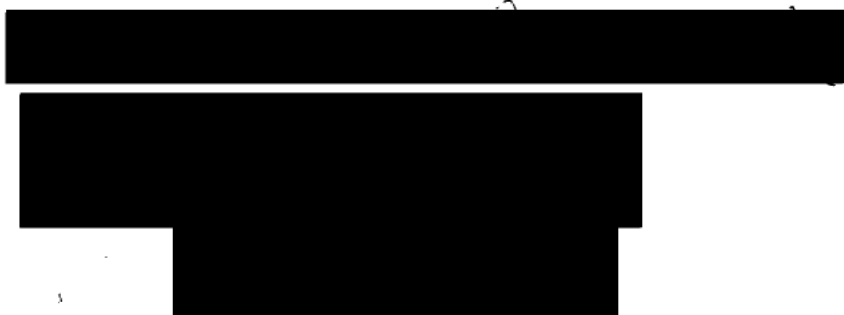

After the first incident we keep in touch in letters and phone calls. A couple of time Phil would send me a birthday call with money in it or a Christmas present, one year it was a \$75.00 coat. When I moved we still keep in touch. I recieved a letter from Phil one day and he ~~had~~ wanted to know if I'd like to come up for the weekend. I said yes. I went up for 4th of July weekend. (before I went back a period of about 3-4 year had past)

STATEMENT READ TO PHILIP WARNER

July 9, 1985

- We are not making any accusations.

- We have just come into some information regarding a young man who is undergoing treatment in the Florida Health and Rehabilitative Services in Jacksonville, Florida.

Under Florida law any time information regarding the sexual abuse of a minor comes into knowledge of State psychologist it must be made known to the local law enforcement agency.

While no charges are being made we anticipate signed statements to be forwarded to the Boy Scouts of America regarding a homosexual relationship that began 6 years ago between you and a Scout in Troop 512 of your council during a week-long Day Camp held at Camp Merz.

In light of this information we strongly suggest you withdraw your candidacy for this Scout Executive vacancy.

FROM: Vernon G. LaBarre, Regional Personnel Director, NER

SUBJECT: Statements made by Philip Warner to Vernon LaBarre and Roland Moore after a presentation of a statement made to him on July 9, 1985 at the Red Bull Inn, Somerville, New Jersey...

Warner stated that he knew the young man referred to in the statement from Troop 512. He became acquainted with him when he was a Scout participating in Brown Sea Double II Junior Leader Training Course.

Warner was serving as a staff member for this course. When the occasion of the final graduation banquet for this course occurred the boy came crying to Warner stating that he would not have any parents present at this outdoor banquet. The boy's grandmother did arrive at the banquet and explained to Warner that the boy was from a divorced family situation and was living with her.

Warner said that he proceeded to take the boy under his wing and kept contact with him and took him to the movies several times. After the boy moved to Florida, with his mother, he maintained telephone contact with Warner. Warner had him come visit over the Labor Day weekend in 1984 at which time Warner, the boy, and the council president went sailing on the council president's boat.

It needs to be noted that after the statement was read to Warner that, with very little hesitation, he accepted the advice of the statement to withdraw from the interview as a candidate for the Scout executive vacancy in the Watchung Area Council.

He asked what his next step should be. I advised that this was largely up to him, at this time, since we did not have all the final facts in this situation and he would have to proceed, as he personally saw fit, according to his knowledge of the situation. He stated that he wanted to talk with his council president tomorrow.

Statements that Warner additionally made to me while I was driving him to the airport:

- He said "he should have learned his lesson getting too close to boys."
- He stated that he felt he had lost an opportunity on an interview sometime in the past because he was single and there may have been concerns about this.
- He said it was his plan to talk with the council president and Jack Bucher, Area Director, tomorrow concerning this matter.

I told him the following people were aware of this situation and that any of us were available for advice and counsel:

TO: WILLIAM McLAUGHLIN, DIRECTOR OF PERSONNEL ADMINISTRATION

FROM: ROLAND E. MOORE, NEW JERSEY AREA DIRECTOR

SUBJECT: My reaction to my meeting with Philip Warner and Vern LaBarre and LaBarre's making a presentation of the statement received from the National Office on July 9 at the Red Bull Inn in Somerville, New Jersey.

Vern LaBarre visited my room prior to my 6:00 appointment with Mr. Warner. He shared the prepared statement from the Boy Scouts of America with me regarding an incident with a Scout while participating in a former council. He identified that council, he identified that the Scout was receiving professional help at this time, and of course you prepared the statement. We agreed that we would visit with Phil Warner and discuss with him the statement and give him the opportunity to take the advise offered, which was to relinquish an opportunity for an interview at the Watchung Council.

When Mr. Warner entered the room we had an opportunity just for some amenities and then Vern LaBarre went right into the statement. He read it in its entirety. He did not give Mr. Warner a copy of it and then stopped reading, sat back and waited for a response. Mr. Warner's first statement was, "I should have known better than to get involved with a boy by showing my personal support." He then explained to us the situation regarding the graduation banquet by which the boy was crying because he did not have any parental support at the banquet.

He indicated that the grandmother did arrive late and that the mother was divorced and that the boy was living with her at the time. He did indicate follow-up with the young man and at one point in time bought him a red jacket, and offered the fact that he had telephone contact and that at a point in time in 1984, I believe it was a Labor Day weekend, that the boy had come up to visit with him that he had paid for the trip. He also noted at the point that the council president went on a sailing trip on the council presidents boat while the boy was visiting with him.

His final response was that he would heed the advise of the recommendation and would not stay for the interview. We asked him the question and his answer was that he would withdraw from the interview based on the recommendation of the statement. We discussed next what he should be doing. It was at that time that I brought up the subject of his council affiliation and what responsibility he felt to notifying his local council and he indicated to us that he would do so as soon as he returned that evening.

We then discussed the next steps from the Boy Scouts of America's point of view. The indication is that he would have to visit with his area director upon his return and for the follow-up to be established from there. We also, at that point, indicated the final facts indicated on this matter were not in our hands and as soon as we had an official statement it would come through Jack Bucher.

As he was getting his travel together Vern and I visited a little bit on his reactions which was totally unemotional, rather cool I would say, I believe he was a little sensitive on my being involved. Then we determined who should give him a ride back to the airport. After some discussion Vern LaBarre volunteered and he accepted that upon his return to the meeting room.

To the best of my recollection I do believe he indicated that he said publicly that he should have learned his lesson getting to close to boys. He did state that he felt that he had lost an opportunity on an interview some time in the past because he was a single person. I believe Vern then shared with him the people who were involved to date and with that he packed his suitcase and left for the airport.

Last comment: It was a very severe blow to this committee that they did not have an opportunity to interview a third party. As a matter of fact it was a serious snag in the very beginning of our culmination of this interview. Unfortunately, we had to wait this long before we could face this individual with this process.

I hope we can avoid this in the future.

TO: WILLIAM MAC LAUGHLIN
FROM: JACK W. BUCHER
SUBJECT: PHIL WARNER

Following a phone call from Phil on the morning of July 10 I agreed to meet with him for lunch on that day to discuss his trip to New Jersey for the Mountainside interview opportunity. In the phone conversation he mentioned that he had discussed the whole situation with his president, Kenneth Thomas, and said that I should feel free to call Ken.

As soon as lunch was over I called Ken who was very upset with the BSA for having accused Phil of any wrongdoing. He said he knew the boy in question and would put no faith in what the boy said. He was very supportive of Phil and stated "he is the best and most efficient Scout Executive in fifteen years."

In my luncheon meeting with Phil his opening remark was "I didn't do it." He went on to tell me the same things he told Vern - of his sympathy for the boy, his background, where he came from, the broken home situation, living with the grandmother, etc.

I made sure he understood that Vern's written statement indicated the BSA was not accusing him of anything, but that a boy and his mother in Florida were accusing him of homosexuality and we felt an obligation to make him aware of the situation, especially because of the interview opportunity at hand.

NOTES BY WILLIAM J. McLAUGHLIN

JUNE 26 -- Was in Jack Grady's office when he took the following notes during his telephone conversation with Officer Hines:

Officer Hines - Investigator for Clay County Sheriff's Dept.,
Green Cove Springs, Fla. - 904-284-7575

Brent Harris, Supervisor, Health & Rehab. Services,
Jacksonville, Fla. - 904-264-8870
904-284-2031

Boy - now 18 years old, and Mother--"No charges - No crime"

But "100% legitimate complaint"

Relationship started six years ago - stopped two years ago
Was a member of Troop 512, Eldred City, Pa. He attended
Camp Merz, Frewsburg, NY.

I arranged to fly to Jacksonville and meet with Officer Hines.

JUNE 27 -- Officer Hines called me to inform me his supervisor directed him to have no further communication with BSA since there are no charges being filed by the boy or his mother.

Officer Hines gave me the name of Brent Harris, Health & Rehab. officer indicating that he would be willing to share information. Harris had left on an extended vacation.

JUNE 28 -- Cancelled travel plans.

JULY 1 -- Talked with Officer Hines. He agreed to deliver message to boy and mother, asking that they call me collect and to meet with me and sign a statement. Hines gave me the name and address of [REDACTED] 312 West Street, Green Cove Springs, FL.

JULY 10 -- Talked to Brent Harris. Will try to get a statement from boy and mother. Counsellor Sue Rosebrough will be in contact with us giving progress reports on getting statement. Learned that the boy had been assigned to Health and Rehab. Dept. for sexually abusing another child.

JULY 15 -- Talked to Sue Rosebrough. She was trying to meet with mother and boy. She indicated that the boy stated there were two times of homosexual experience participated in by both -- once six years ago during the Camp Merz Brownsea II and two years ago when Phil Warner sent the boy a round-trip plane ticket for him to fly to Western NY at Labor Day. Rosebrough to try to get statement done 7/15 or 7/16.

(July 15, continued.)

I raised the question whether it was possible in light of the boy being "corrected" of sexually abusing another child, to have fabricated the relationship. Sue Rosebrough indicated "not in her opinion." She was assigned this case in June because of a heavy workload of one of the other counsellors, and the boy voluntarily shared the experience at her first session. He had already shared it with the psychologist, Dr. Lewis Legium.

- JULY 17 -- Sue Rosebrough called--had talked with mother. The mother to arrange to come to Health & Rehab. office and make statement. She called again to say the young man was in the office. He is to write the statement tonight, have his mother sign it, and return it tomorrow.
- JULY 19 -- Called Sue Rosebrough. [REDACTED] was supposed to have returned the statement yesterday--did not. She is following up. Will call. She reported that she talked with [REDACTED] to see if he knew of any other young person that was involved in the relationship. He stated that he did not. She also stated that over the past 5-6 years Phil Warner had sent the boy a jacket on one occasion and usually sent money on his birthday.
- JULY 22 -- Sue Rosebrough said she had no contact with [REDACTED] since last Wednesday. She would followup. She would try to help him, but she would not pressure him to write the statement.
- JULY 23 -- Sue Rosebrough visited with [REDACTED] He is to complete statement today. She called just before 5:00 p.m. to say that he has not returned. She will be out of office three days.
- JULY 29 -- I called Brent Harris. (Sue Rosebrough's mother died and she was in Alabama.) Harris said he would followup tomorrow. (He did this and the statement was completed and mailed. It was delivered to Jack Grady on August 5.)
